

Philosophy Lecture List for Hilary Term 2021

- **PLEASE NOTE:** nearly all Faculty teaching will take place this term online.
- Delivery of teaching is through several modes. At undergraduate level, there will be mostly recorded lectures, though some will be live. At graduate level, classes will be delivered as a Teams or Zoom group.
- The Philosophy Canvas intranet site will be made available to undergraduate and graduate students, and relevant sections for classes and lectures will appear there.
- Many series of recorded lectures already exist in full (as they are being reused from a previous year). Others will be recorded as term goes on. Access to these, and to live lectures, will be via the Canvas sites.
- Where they are live, classes or lectures will begin at five minutes after the hour and end at five minutes before the next hour.
- The information below is subject to change. Please make sure that you check the Faculty's website <http://www.philosophy.ox.ac.uk/lectures> for the most up-to-date information. Detailed course descriptions will be published in the Lecture Prospectus, available on that webpage.
- Please comment on our lectures using the online questionnaire at the same webpage.
- This information is correct as at 20 January 2021.
- In the event of any queries or mistakes, please contact [James Knight](#).
