

## Philosophy Lecture Year Plan for 2021-22

- This year plan contains details of undergraduate lectures, graduate classes, and other regular events.
- The three columns on the right indicate the term in which the event will take place. The number of lectures or classes for that event in any term is found in the column for that term.
- As the pandemic situation develops, changes are likely to occur. As at Michaelmas Term, the Faculty is in the process of reverting to live in-person lectures and classes, which will be in the majority. Some events will be online, and occasionally a lecture recording will be used.
- This information is believed correct as at 28 September 2021, but changes may occur before and during the academic year. Before you make plans for any particular term, it is wise to check the lecture lists online near to the start of term. You are advised to double-check any degree-specific lists (eg the combined PPE lecture list) against the Faculty lists.
- We currently restrict access to online Philosophy lectures and classes to students enrolled on the Faculty's degrees, and members of the University on courses with links and relevance to philosophy. Students in the latter group should seek access by writing to [admin@philosophy.ox.ac.uk](mailto:admin@philosophy.ox.ac.uk), specifying their course, the lecture series/class(es) to which they would like access, and the relevance of those events to their study.
- Errors/queries can be addressed [here](#).
